Golf Tournament
Monday, April 9, 2012
WingHaven Country Club
7777 WingHaven Blvd. O'Fallon, MO*

Informational Flyer

The Fort Zumwalt Education Foundation is proud to announce our fifth annual golf tournament and fundraiser. This activity will help raise money for our Grow Your Own Teachers Program, created because of the need for more teachers in high needs areas (math, science, special education, industrial technology and foreign language). This program allows Fort Zumwalt seniors to apply and, if selected, receive \$3,000 per semester to attend college. Once the student completes the requirements and becomes certified, he/she returns to Fort Zumwalt to teach. Currently nine students are in the program. They are: Angela Schneider (NHS—Science), Robin Aston (SHS-Special Education), Megan Welby (WHS-Science), Kelsie Kestler (WHS-Special Education), Danielle Newton (WHS-Math), Erin Herbig (EHS-Math), Marissa Mullen (EHS), Alec Gerke (EHS), and Emily Byers (NHS-Science).

Please join us on April 9th for our fifth annual 4-person scramble golf tournament. The cost is \$125 per person or \$475 per foursome. We would also like to invite corporate and tournament sponsors to participate (see Entry Fees and Sponsorships). The Fort Zumwalt Education Foundation has 501(c)3 status which allows tax deductible contributions.

Thank you for your participation in helping these students, and the Fort Zumwalt School District!
